

Mindy Meininger & Alice

LynWay staff treated Alice like a queen!

**Alice was so thrilled they had her favorite
Cherry pie loaded with ice cream!**

After

Alice Hild's wish was someplace nice to go after a day of pampering so after getting her hair done, nails painted and make up just right we took her to LynWay for lunch

Wish granted Jan. 13, 2016

Before

Ham Steak & Fries, yes she brought half home for dinner to save room for pie!
