ASSEMBLE AND DONATE HOUSEWARMING KITCHEN KITS FOR DOMESTIC VIOLENCE SURVIVORS MOVING OUT OF CHOICES SHELTER

LSS CHOICES for Victims of Domestic Violence is the only domestic violence focused shelter in Franklin County providing a safe-haven and 24-hour crisis and information hotline. CHOICES also offers counseling services and support groups, legal and community advocates, and domestic violence awareness and prevention education. Often victims arrive at our shelter with little more than their children and the clothes on their backs. CHOICES offers services that help people begin to heal and recover from the trauma of their abuse and gain independence and self-sufficiency. It's a huge milestone when individuals and families move from our CHOICES shelter into their own permanent, safe housing, however, they often lack the basic things they need when setting up a new home, especially the kitchen essentials to prepare and enjoy a meal.

You can help by providing our clients Housewarming Kitchen Kits. Each year, we need approximately 75 Kitchen Kits to help set our clients on their new path. Receiving this wonderful kitchen kit means so much to those we serve and helps transform *victims into survivors*.
