

# Give Hope. Offer Housewarming Wishes. WELCOME HOME KITS

## ASSEMBLE AND DONATE WELCOME HOME KITS FOR CLIENTS STAYING AT OUR HOMELESS SHELTERS

The **Lutheran Social Services** Network of Hope provides hope and healing for people in crisis, allowing them to overcome barriers to becoming self-sufficient.

LSS Faith Mission in Columbus and Fairfield County provide caring support to homeless men and women transitioning into permanent housing by providing emergency shelter, nutritious meals, job and life skill support and case management services. Health, dental and vision services are also provided at our Columbus location.

When residents come to the shelter, they often have very few personal belongings. As they work to overcome the issues that caused them to become homeless, the goal is for each client to find permanent, stable housing. When that milestone is reached, most people do not have the household basics to set up their new residence.

**You can help with providing our clients with Welcome Home Kits.** These items are essential to those we serve as they start down their new path and mean so much to those that we serve. For more information about LSS Faith Mission, please visit [www.lssnetworkofhope.org/faithmission](http://www.lssnetworkofhope.org/faithmission)
